ARRESTED AS FILIBUSTERS

Hold Chicago Seamen Had Sailed to Find a Lost Gold Mine.

Chicago, Aug. 22.—The Tribune says: "Six men who sailed away from Chicago a year ago in search of a gold mine in the wilds of Patagonia are now under arrest at Turks Island, in the West Indies, suspected of filibustering. Their arrest and the detention of their schooner, Mercury, have been held before the secretary of state.

"Charles Corrigan, a Texas cowboy, came to Chicago last fall, watched lake sailors for a month and then took five men into his confidence.

"Corrigan said he had a map showing the location of a gold mine rivaling that of King Solomon. His story was that its discoverer had been driven out by natives and when he died on a ranch he gave the drawings to Corrigan.

"The Mercury sailed for New Orleans in October. It was to cross the gulf of Mexico and cruise along the coast of South America to Patagonia. Charles Hardin was the master and owner, according to the ship's paper, and Emil von Boroucke was the first mate.

"When the Mercury crept into the harbor at Turks Island the American and British consuls discovered many suspicious circumstances. The schooner had papers from Chicago, but could not account for the time which had elapsed since they had been taken out. Hardin was no longer master. The vessel was held until the business of its owners could be investigated."

Novel Way to Commit Suicide.

Salt Lake, Utah, Aug. 22.—Andrew Adams, a waiter, who on last Saturday murdered Mrs. Jennie Gerald with a razor and then cut several gashes in his own throat in an effort at self destruction, has committed suicide at Holy Cross hospital. He evaded his nurse and went into a bath room, got into the tub and, placing his mouth over the faucet, turned the water on full force. He clutched the faucet between his teeth and held on until unconscious. He died within a few minutes. It is believed that Mrs. Gerald will recover.

Lardy Cannot Be Arbitrator.

Paris, Aug. 22.—The federal council of Switzerland has advised Dr. Lardy, the Swiss minister here and one of the three arbitrators appointed by the czar to decide the claim for preferential treatment made by the three allied powers (Germany, Great Britain and Italy) in the settlement with Venezuela, that it does not desire him to act as arbitrator as Switzerland has interests similar to those of the other powers, which have been committed to the German representative at The Hague court.
